Notes

Mok began skating at age 10 because she loved the feeling of skating ... Mok earned her high school diploma in 2003 from Laurel Springs Independent Study School ... Most prized possession is her diary ... Likes to collect inspirational quotes and advice ... Hobbies include reading, watching movies (romantic comedies), shopping (if I have the money), cooking, listening to Frank Sinatra (I love that era of vocals) ... After her skating career she would like to build a business and volunteer for UNICEF ... Favorite books include "Tuesdays with Morrie", books about the Dalai Lama, books by Lance Armstrong, and autobiographies of people she admires ... Motto is a Thomas Edison quote - "There is no substitution for hard work." ... Likes all types of dancing ... Does Bikram yoga ... Likes to make her family and friends laugh ... Favorite movie is "Garden State" ... Also enjoys tennis ... Uses the words "multifaceted, cheerful, deep" to describe herself.

Goal for 2007-08 – To Finish Top 6 at State Farm US Championships.
